

# Ready Set Let's Go

Sam Tinnesz

No pain, no victory  
Your reign is history  
'Cause we're not stoppin' til we break through  
So take your best shot, make your move

Oh, step right up, who's next?  
You're messin' with the best

We're death defyin'  
Coming in like lightnin'  
Look out, we're strikin'  
Ready set, ready set, let's go  
This fire's blazin'  
We're troublemakin'  
We got you shakin'  
Ready set, ready set, let's go  
Go oh-oh-oh-oh-oh oh  
Go oh-oh-oh-oh-oh oh  
Ready set, ready set, let's go

High volts through these veins  
Trouble is our gain  
Keepin' aces up every sleeve  
Bringing rivals down to their knees

Oh, step right up, who's next?  
You're messin' with the best

We're death defyin'  
Coming in like lightnin'  
Look out, we're strikin'  
Ready set, ready set, let's go  
This fire's blazin'  
We're troublemakin'  
We got you shakin'  
Ready set, ready set, let's go  
Go oh-oh-oh-oh-oh oh  
Go oh-oh-oh-oh-oh oh  
Go oh-oh-oh-oh-oh oh  
Ready set, ready set, let's go

Hit' em up, hit' em up, hit' em up  
Hit' em up, hit' em up

We're death defyin'  
Coming in like lightnin'  
Look out, we're strikin'  
Ready set, ready set, let's go (go)  
This fire's blazin' (go)  
We're troublemakin' (go)  
We got you shakin'  
Ready set, ready set, let's go  
Go oh-oh-oh-oh-oh oh  
Go oh-oh-oh-oh-oh oh  
Go oh-oh-oh-oh-oh oh  
Ready set, ready set, let's go  
Go oh-oh-oh-oh-oh oh

Go oh-oh-oh-oh-oh-oh oh  
Go oh-oh-oh-oh-oh-oh oh  
Ready set, ready set, let's go
