someone else

Sam Tompkins

I'm going under
Can't stay afloat with all this pain
You know I love ya
But I don't know if I can take another summer
Pretending that you and me
We feel the same oh

'Cause there's another
Hand that you wish that you could be holding
And I love that you try to never show it
I don't even want to know the name
No way

'Cause I've been hurting
All because of love, I don't deserve this
I wish that I could go back and change everything I felt
It's putting me through hell
You're in love with someone else
Who's in love with someone else

And it ain't worth it
Putting up with all this far from perfect
I wish that I could go back and change everything I felt
It's putting me through hell
You're in love with someone else
Who's in love with someone else

(Who's in love) with someone else
(Who's in love) with someone else
(Who's in love) with someone else
(Who's in love) with someone else
Else oh
You're in love with someone else

Keep my number
In case you wanna run away
To my shoulders
You can cry on those all day
If you wanna
I can promise that will never change
No way

You turned a boy into a man
Now I hate the man I am
Yeah I've fallen
And I won't fall in love again

'Cause I've been hurting
All because of love, I don't deserve this
I wish that I could go back and change everything I felt
It's putting me through hell
You're in love with someone else
Who's in love with someone else

And it ain't worth it
Putting up with all this far from perfect
I wish that I could go back and change everything I felt

It's putting me through hell
You're in love with someone else
Who's in love with someone else

(Who's in love) with someone else
(Who's in love) with someone else
(Who's in love) with someone else
(Who's in love) with someone else
Else oh
You're in love with someone else
