

Die Young / Live While We're Young

Sam Tsui

I hear your heart beat to the beat of the drum
Oh what a shame that you came here with someone
While you're here in my arms
Let's make the most of the night like we're gonna die young
Like we're gonna die young

Hey boy I'm waiting on ya
I'm waiting on ya
C'mon and let me sneak you out
And have a celebration, a celebration
The music up the windows down

Yeah, we'll be doing what we do
Just pretending that we're cool
And we know it too
Yeah, we'll be doing what we do
Just pretending that we're cool, so tonight

I hear your heart beat to the beat of the drum (beat of the drum)
Oh what a shame that you came here with someone (here with someone)
While you're here in my arms (here in my arms)
Let's make the most of the night like we're gonna
Go crazy crazy crazy till we see the sun
I know we only met but let's pretend it's love
And never never never stop for anyone
Tonight let's get some (let's make the most of the night)
And live while we're young

Hey baby it's now or never, it's now or never
Don't over a think, just let it go
And if we get together, yeah get together
Don't let the pictures leave you phone oh oh oh

Yeah, we'll be doing what we do (Looking for some trouble tonight)
Just pretending that we're cool and so shine (Take my hand, I'll show you th
e wild)

I hear your heart beat to the beat of the drum (beat of the drum)
Oh what a shame that you came here with someone (here with someone)
So while you're here in my arms (here in my arms)
Let's make the most of the night like we're gonna
Go crazy crazy crazy till we see the sun (see the sun)
I know we only met but let's pretend it's love (pretend it's love)
And never never never stop for anyone (anyone)
Tonight let's get some (let's make the most of the night)
And live while we're young

Tonight
We are young
So let's set the world on fire
We can burn brighter than the sun

If I die young bury me in satin (Tonight)
Lay me down on a bed of roses (we are young)
Sink me in the river at dawn (So let's set the world on fire)
Send me away (We can burn brighter, than the sun)

Crazy crazy crazy till we see the sun (see the sun)
I know we only met but let's pretend it's love
And never never never stop for anyone (anyone)
Tonight let's get some (let's make the most of the night)
And live while we're young

Pretend it's love
Toni-ight
Let's make the most of the night
And live while we're young

I hear your heart beat to the beat of the drum
