Impatience

Sam Tsui

I never thought I was the restless kind
So keep running through my lonely mind
And tell me good thing come to those who wait
But I got it bad and I can't stand it babe

Oh-woo
Day dreaming about you, I-I'm crazy without you
Ah-ah, ah-ah-ah
Ooh-oohoo
Now you better come running, ah-ah and when are you coming
Back to me

So, baby, don't you make me wait
I won't last another day
I can't take it, this impatience
Is how you got me feeling now
No, you can't take your time
Without you I'd lose my mind
I can't take it, this impatience
Is how you got me feeling now

(Whoa, whoa)
(Whoa, whoa)
(Whoa, whoa) I can't take it, this impatience
(Whoa, whoa) 'Cause I'm waiting baby

With every second [?]
You know I need you, and I need you now
Can you hurry with your company
Anticipation taking over me

Oh-woo
Day dreaming about you, I-I'm crazy without you
Ah-ah, ah-ah-ah
Ooh-oohoo
Now you better come running, ah-ah and when are you coming
Back to me

So, baby, don't you make me wait
I won't last another day
I can't take it, this impatience
Is how you got me feeling now
No, you can't take your time
Without you I'd lose my mind
I can't take it, this impatience
Is how you got me feeling now

(Whoa, whoa)
(Whoa, whoa)
(Whoa, whoa) I can't take it, this impatience
(Whoa, whoa) 'Cause I'm waiting baby
Oh, I let you have your space

And with my patience almost gone
I will keep holding on
As long as it takes

So, baby, don't you make me wait
I won't last another day
I can't take it, this impatience
Is how you got me feeling now
No, you can't take your time
Without you I'd lose my mind
I can't take it, this impatience
Is how you got me feeling now

(Whoa, whoa) Yeah
(Whoa, whoa) No, no
(Whoa, whoa) I can't take it, this impatience
(Whoa, whoa) 'Cause I'm waiting baby
(Whoa, whoa) Yeah
(Whoa, whoa) No, no
(Whoa, whoa)
(Whoa, whoa)
