

Let It Go/Let Her Go MASHUP

Sam Tsui

Let it go, let it go.
You only need the light when its burning low
Let it go, let it go.
You only miss the sun when it starts to snow

And here I'll stand
And here I'll stay
You only know you love her when you let her go
Oooh
The cold never bothered me anyway

Staring at the bottom of your glass
Hoping that one day you'll make a dream last
But dreams come slow and they go so fast

You see her when you close your eyes
Maybe one day you'll understand why
Everything you touch surely dies

Don't let them in
Don't let them see
Be the good guy you always have to be

Conceal, don't feel,
Don't let them know
Well now they know

Let it go, let it go
You only need the light when its burning low
Let it go, let it go.
You only miss the sun when it starts to snow

Cause here I stand,
And here I'll stay
You only know you love her when you let her go
Oooh
The cold never bothered me anyway, oooh

Let it go,
Let her go

You only need the light when its burning low
You only miss the sun when it starts to snow
You only know you love her when you let her go
Oooh

Only know you've been high when you're feelin' low
Only hate the road when you're missing home
Only know you love her when you let her go

And now you know, Woooh

Let it go, let it go
You only need the light when its burning low
Let it go, let it go.
You only miss the sun when it starts to snow

Cause here I stand,
And here I'll stay
You only know you love her when you let her go, oooh

Doo-do-do-do-do-do-do

Doo-do-do

The cold never bothered me anyway
