Sam Tsui

From that first hour my willpower was gone
Got me hooked on your smile
Took an inch, need a mile

If it's unhealthy what we got going on
That's just fine, I don't mind
Living in denial

Loving in excess
You ask me, I say yes
Too late to learn my lesson now
So til the love runs out

Ooh, you got me down on my knees, yeah
You, you get the better of me
And I know that I said I'm not one to beg
But I'm in need
M-m-m-m-m-m-more plz
You, you keep on calling my bluff
It ain't true when I say I've had enough
And I just gotta admit you give me the hit
I know I need
M-m-m-m-m-m-more plz

You know just what I want, no point asking twice
Watch me plead, watch me crawl
Take my love, take it all
C-call my greedy but no less will suffice
I stay up through the night waiting for your call

Loving in excess
You ask me, I say yes
Too late to learn my lesson now
So til the love runs out

Ooh, you got me down on my knees, yeah
You, you get the better of me
And I know that I said I'm not one to beg
But I'm in need
M-m-m-m-m-m-more plz
You, you keep on calling my bluff
It ain't true when I say I've had enough
And I just gotta admit you give me the hit
I know I need
M-m-m-m-m-m-more plz

Na na na na na na, na na na na na na
Na na na na na na na
M-m-m-m-m-m-m-more plz

So let this love burn fast and bright
If I take and take and take
Could be making a mistake
All I know is it feels right

Ooh, you got me down on my knees, yeah
You, you get the better of me

And I know that I said I'm not one to beg
But I'm in need
M-m-m-m-m-m-more plz
You, you keep on calling my bluff
It ain't true when I say I've had enough
And I just gotta admit you give me the hit
I know I need
M-m-m-m-m-m-more plz

Na na na na na na, na na na na na na
Na na na na na na na
M-m-m-m-m-m-m-more plz

Na na na na na na, na na na na na na
