

The Middle

Sam Tsui

Baby

Why don't you just meet me in the middle
I'm losing my mind just a little
Why don't you just meet me in the middle
In the middle

Take a seat

Right over there, sat on the stairs
Stay or leave
The cabinets are bare and I'm unaware
Of just how we got into this mess
Got so aggressive
I know we meant all good intentions

So pull me closer

Why don't you pull me close?
Why don't you come on over?
I can't just let you go

Oh, baby

Why don't you just meet me in the middle?
Oh, I'm losing my mind just a little
So why don't you just meet me in the middle?
In the middle

Take a step

Back for a minute, into the kitchen
Floors are wet
And taps are still running, dishes are broken
How did we get into this mess?
Got so aggressive
I know we meant all good intentions

So pull me closer

Why don't you pull me close?
Why don't you come on over?
I can't just let you go

Oh, baby

Why don't you just meet me in the middle
I'm losing my mind just a little
So why don't you just meet me in the middle?
In the middle

Looking at you I can't lie

Just pouring out admission
Regardless my objection
And it's not about my pride
I need you on my skin just
Come over, pull me in just

Baby

Why don't you just meet me in the middle
I'm losing my mind just a little
Why don't you just meet me in the middle?
Meet me in the middle

Oh, baby
Why don't you just meet me in the middle? Oh
I'm losing my mind just a little
Why don't you just meet me in the middle?
In the middle
