

# Unsinkable

Sam Tsui

I've been fighting every day long  
Trying hard to keep my heart afloat  
I can barely see the shore

When the choice is either sink or swim  
And I'm thinking of maybe giving in  
I remember everything I'm fighting for I'm fighting for ooh

So I got to swim a little bit longer  
It's only making me stronger  
I'm stronger woah

My hearts unsinkable  
Never doubt that things will get better  
Can you feel the love?  
Yeah, I'm never giving up

It's all a matter of hope  
Keeping that courage afloat  
Can you feel the love?  
Yeah, I'm never giving up

Woah woah oh oh oh oh  
Woah woah oh oh oh oh  
Woah woah oh oh oh oh  
I'm never giving up

I just hold my breath and count to 10  
So I won't let in the doubt again  
Gotta let myself believe

If I got my strength and down my pride  
And the people who love me by my side  
I got everything I need  
I got what I need  
Ohh woahh

So the waves get a little bit rougher  
I just gotta get tougher  
Get tougher  
Woah

My hearts unsinkable  
Never doubt that things will get better  
Can you feel the love?  
Yeah, I'm never giving up

It's all a matter of hope  
Keeping that courage afloat  
Can you feel the love?  
Yeah, I'm never giving up

Woah woah oh oh oh oh  
Woah woah oh oh oh oh  
Woah woah oh oh oh oh  
I'm never giving up  
Woah woah oh oh oh oh

Woah woah oh oh oh oh  
Woah woah oh oh oh oh  
I'm never giving up

I'm holding on  
I'm holding on  
There's always a reason  
I'm holding on  
I'm holding on

I'm holding on  
I'm holding on  
There's always a reason  
I'm holding on  
I'm holding on  
Yeahhh

My hearts unsinkable  
Never doubt that things will get better  
Can you feel the love?  
Yeah, I'm never giving up

It's all a matter of hope  
Keeping that courage afloat  
Can you feel the love?  
Yeah, I'm never giving up

Woah woah oh oh oh oh  
Woah woah oh oh oh oh  
Woah woah oh oh oh oh  
I'm never giving up  
Woah woah oh oh oh oh  
Woah woah oh oh oh oh  
Woah woah oh oh oh oh  
I'm never giving up

I'm holding on  
I'm holding on  
There's always a reason  
I'm holding on  
I'm holding on
