

## Crow Jane

Samantha Fish

Crow Jane, Crow Jane  
Don't you hold your head too high  
'Cause, someday, babe, you know, you gotta die

I wanna buy me a pistol  
[?]  
I shoot Crow Jane just to see her fall  
And I dug that [?] grave  
With a silver spade  
Ain't nobody gonna take my Crow Jane's place

These are not [?] Crow Jane  
Don't you hold your head so high  
'Cause, someday, babe, you know you gotta die

Crow Jane, Crow Jane  
Don't you hold your head too high  
'Cause, someday, babe, you know you gotta die

You know I never [?]  
I didn't [?] till the day she died  
And I dug that [?] grave  
[?]  
I didn't feel tired till I let her down  
Don't you hold your head too high  
'Cause, someday, babe, you know you gotta die

Gotta die
