

Fool For You

Samantha Fish

You been askin' lots of questions the answers you want to
You been searchin' far and wide in the night
For something that was right in front of you
I can feel the strain, see all of your pain, baby
When I look in your eyes
Sunday don't come fast enough, oh, when you can't handle
When you can't handle the lie

The truth is so hard to take
When there's so much at stake

That's why you'll be runnin' blind
Like so many others, so many others do
But you just go and ignore the rain
When it seems it's all gonna fall
It's all gonna fall down on you
But you didn't live today
Or even yesterday
But tomorrow you might find
When you wash your hands of me
You can see you leave your troubles
All your troubles behind

The truth is so hard to take
When the only fool to make is you
I'm a fool for you
Yeah
I'm a fool I'm a fool for you
Yeah
