

# Imaginary War

Samantha Fish

Don't wanna fight your battles  
Head down and pistols drawn  
Don't wanna burn your castle  
What's this crusade you're on?  
Yeah  
I don't wanna fire aimless  
Quick draw, the shooter falls  
Don't wanna love your chaos  
Kiss kiss the cannonball-all-all-all-all  
Imaginary war  
War

You wanna fuel the fire  
And then you twist the knife  
Gave in to your desire  
Why won't you compromise?  
Yeah  
I don't wanna make this bigger  
I keep my powder dry  
Don't wanna pull the trigger  
Bang bang your alibis-is-is-is-is  
Imaginary war  
War  
Hey, yeah, yeah
