

## Let's Have Some Fun

Samantha Fish

You can feel the void  
You're coming straight for me  
There's a hole in my soul  
Where his heartache used to be

Well I ain't your darling  
I'm not your sweet little girl  
I'm not your friend  
Oh honey, not anymore

I can't stand myself  
For the things I've done  
Come on baby, let's have some fun  
Let's have some fun

Oh you had yourself a flask  
Full of ideas  
Oh you know I'm pretty impressionable  
Come on baby, bend my ear

You're a bottomless pit  
That I just can't, I can't fill up  
Said, honey, spend a little time  
You might have better luck

Well lock that door now  
Said don't tell no one  
Said come on baby, let's have some fun  
Let's have some fun

Come on baby

Well, you ain't got time for me  
But you still come to play  
Oh when things turn ugly  
I won't, I won't stand in the way

Cause you're guilty, guilty, guilty, guilty, guilty  
Of blurring all the lines  
I know it cause I do it to myself  
I do it all the time

So now the sun's coming up  
You say you gotta run  
Now come on baby, let's have some fun  
Let's have some fun  
Let's have some fun baby  
Ooh let's have some fun  
Come on baby  
Ow baby let's have some fun
