Love Letters

Samantha Fish

Oh, my sweet little sexy babe
Why can't you sleep on the side of me?
Why can't I breathe so easily?
Don't you know what you do to me?
Pack of smokes and your pocket change
Are all I got when you go away
It hurts my heart, but I can't complain
I woulda done this anyway

You and I - we could rule this world together
You and I - I'd pull you in but I know better

I'm drowning in love letters
A heavy love that I can't measure
I'm drowning in love letters
Aye, oh!

Oh, my sweet little sexy babe
Keep waking up in the bed I made
Forget the pain when you wanna play
I'm back to broken when you go away

You and I - we could rule this world together
You and I - I'd pull you in but I know better

I'm drowning in love letters
A heavy love that I can't measure
I'm drowning in love letters
I you think I would know better
I'm drowning in love letters
A heavy love that I can't measure
I'm drowning in love letters
Oh, hey, yeah!

How can something so sweet, so sweet be so cruel?
How can something so real, so real make me feel just like a fool?

You and I - we could rule this world together
You and I - I'd pull you in but I know better

I'm drowning in love letters
A heavy love that I can't measure
I'm drowning in love letters
I you think I would know better
I'm drowning in love letters
A heavy love that I can't measure
I'm drowning in love letters
Ah... oh!
