

One Kiss At A Time

Samantha Fish

You, you give me more
More than I, I can afford

Oh and I, just wanna repay you
One kiss at a time

You say I
Always do things the hard way
Oh but if I'm with you baby
I promise to do right today
Oh baby I need you
Oh to understand

I'm gonna love you
One kiss at a time

Well pardon me baby if I don't just give it up
I've been hurt before drinkin' out of love's sweet cup
And I don't wanna be
Just another face in the crowd
So I won't give in
But if my heart makes a sound
Oh baby I'm yours
Oh and you're mine
Just tell me that a little bit of lovin'
Will be waiting down that line

Oh but baby
For now
I'm gonna show you
One kiss at a time

Well pardon me baby if it's not so easy
When I've danced with love and only until the dawn has teased me
I don't want to be
Cryin' for you out loud
So I won't give in
But if my heart makes a sound
Oh baby take my hand
Oh and I'll be close, no
I won't runaway
I will be your baby, baby
Show me, show me
Yeah I need you to show me yeah
Show me
Yeah I need you to show me yeah
Show me, show me, oh
One kiss at a time
