

Rollin & Tumblin

Samantha Fish

Rolled and I tumbled, I cried the whole night long
Rolled and I tumbled, I cried all night long
Woke up this morning baby, I didn't know right from wrong

Spent many days in jail baby, my face turned to the wall
I spent many days in jail, my face turned to the wall
All I could think about was my baby's call
My baby's call

Been drinking muddy water and sleeping in a hollow log
I been drinking muddy water and sleeping in a hollow log
I can't be your kid babe I ain't gonna be your dog
Not gonna be your dog
Oh no no no no
Not gonna be your dog
Yeah
Yeah I'm not gonna be your dog
Not gonna be your dog no
Yeah no no
Not gonna be be your dog
No no no no no no
No no no no no no no no

Oooh baby I ain't gonna be your dog
Not gonna be

Rolled and I tumbled, I cried the whole night long
Rolled and I tumbled, I cried all night long
Woke up this morning baby, I didn't know right from wrong

Oh not gonna be
