

## Show Me

Samantha Fish

Been drinking up misinformation  
I can't get my lines right  
You been preaching to get my act together  
While you been running loose at night  
I wanna hold this against you  
But this hasn't been clear  
All the stories you tell me  
'Bout why you disappear, oh

Do you want me?  
What do you want me to say?  
Oh, do you want me?  
What do you want me to say?  
If you're gonna show me, show me  
Or show me the way, hey, yeah

Well, hold me to your standards  
Oh won't ya hold me to your flame  
I would burn with your ashes  
Till we're one and the same  
But I gotta ask you something, well

Who are you when I'm not here?  
Are you someone to be trusted?  
Can you look yourself in the mirror?

Do you want me?  
What do you want me to say?  
Well, do you want me?  
What do you want me to say, hey?  
If you're gonna show me, show me  
Or show me the way  
Oh, won't you show me the way, baby, now?  
Oh

Do you want me?  
What do you want me to say, yeah?  
Do you want me?  
What do you want me to say?  
If you're gonna show me, show me  
Or show me the way, oh  
Oh, show me the way, yeah  
I said, come on, show me now, now

Yeah, I'm gettin' there!
