

# Don't Wait Up

Samantha Fox

M: hello  
S: hello sweetheart!  
M: where are you? !  
S: I'm still here at the club.  
M: you were supposed to be here at home a long time ago!  
S: I don't complain when you're out with the boys.  
M: listen!  
S: no, you listen!  
Drink some milk, go to bed, and  
Din't wait up.

Don't wait up for me tonight  
I won't be home until tomorrow  
Don't wait up  
(I won't be there) don't wait up  
It's not over

I'm in love with you my dear  
But it's my night and I don't care  
If ya yelling in my ear  
The beat's too loud - so I don't hear

(oh yeah) and here I'll stay  
At least until the break of day  
So I just called to let you know

Don't wait up for me tonight  
I won't be home until tomorrow  
Don't wait up  
(I won't be there) don't wait up  
It's not over

All those nights when you were free  
It's my turn so let me be  
Told you on the telephone  
Do don't get mad cause I'm not home

(oow) I like this song  
My body's rocking all night long  
So I just called to let you know

Don't wait up

Work it baby  
Make me sweat  
See how funky  
The fox can get

I don't mean to make you mad  
I just want to have my fun  
And when the night is through  
I might come home to you  
But just in case

Don't wait up

M: what do you mean don't wait up?

You better come home now.

'cause you gotta get up in the morning to cook my breakfast, wash my car...

S: wait a minute. what sort of hang ups have you got?

M: I don't have any hang ups.

S: well I do.

M: hello?

I ain't got no time to waste

So rock them hide-n-pump that bass

Give me body, give me face, oooh

Rock this place

Work it baby

Make me sweat

See how funky

The fox can get

Don't wait up
