

It's Only Love

Samantha Fox

Oh oh oh, it's only love
Oh oh oh, it's only love
Oh oh oh, it's only love

Oh, It's only love, it's burning like fire
And it's you, you're the one I desire, baby
All my life I've been looking for you
You know that it's only love (You know that it's only love)

It's only you and nobody else
And you're the one and you know it so well now, baby
When you're close, I tremble inside
Woo, I got to, got to get to know you 'cause
It's love, oh yeah, (it's only love) it's only love
(It's only love)

Well you can build a wall around you
You can hide, but I'll find you, baby
It's time you opened your eyes
You know that it's only love (You know that it's only love)

(Oh, oh, oh. Oh, oh, oh)

Ohh, you know the feeling is strong
Can't feel it when I'm on my own
This time I know, know what I want
Boy, I've got to get to you
Yeah, yeah, yeah, yeah (Oh, oh, oh, it's only love)
You know that it's only love now baby (Oh, oh, oh, it's only love)
(Oh, oh, oh, it's only love) (Oh, oh, oh, it's only love)
It's only love (It's only love)

It's only
Love you like fire, you're my desire
Funny like fire, ooh my desire (it's only love)
Love you like fire, you're my desire
Funny like fire, ooh my desire (it's only love)

It's only love....
