Well, if you want to know how I really feel
Get the camera's rollin', get the action goin'
Baby you know my love for you is real
Take me where you want to, there my heart you'll steal

More, more, more
How do you like it, how do you like it
More, more, more (I want more)

I love it, I like it, I love it, like it, love it!
I know it's good for you (I want more)
Because it's good for me (I want more)
Mmm, so give me more, more
(Good sex will make me happy)
