

Now I Lay Me Down

Samantha Fox

Wake up
Will you wake up?
You've had enough sleep
And I want to do it again, and again, and again

Now I lay me down, now I lay me down
(Now I lay me down) Now I lay me down to sleep
Now your love I know I'll keep
Now I lay my body down, let's make love right on the ground

(Now I lay me down) Now I lay me down
(Now I lay me down) Lay your body next to mine
(Now I lay me down) Now I lay me down
(Now I lay me down)

I can't wait until I see your face, I know you're comin' home real soon
Making sure that we have lots of space, so we'll be making love in every room
The reason I care for you, you're satisfying
And you know how to do it, you do it right
You never leave me crying, ooh

(Now I lay me down) Now I lay me down
(Now I lay me down) Lay your body next to mine
(Now I lay me down) Now I lay me down
(Now I lay me down)

(Now I lay me down) Oh, yeah
(Now I lay me down) Lay your body next to mine
(Now I lay me down) Now I lay me down
(Now I lay me down)

Ooh, you just hit the spot
You really make me hot, burning for you
You're just playing with the magic box
Baby, baby, I love you

I need you in my life, you really love me
And you know how to do it, you do it right
You make me happy

(Now I lay me down) Now I lay me down
(Now I lay me down) Lay your body next to mine
(Now I lay me down) Now I lay me down
(Now I lay me down)

(Now I lay me down) Lay your body
(Now I lay me down) Lay your body next to mine
(Now I lay me down) Lay your body
(Now I lay me down) Lay me down, lay me down
Lay me down, lay me down, lay me down
Lay me down, lay me down, lay me down
Now I lay me down to sleep
Now your love I know I'll keep
Now I lay my body down, let's make love right on the ground

(Hey, baby) Yeah?

(Do you know how I'm gonna do it this time?) Please, tell me
(I'm gonna do it with force) Mm, hey baby?
(Yeah?) Do you know what kind of force I want you to use?
(No, tell me) Just use Full Force

(Full Force) Apply the pressure
(Full Force) Use the muscle
(Full Force) Do it easy
(Push, push, in the bush)
(Pull it, squeeze it, tug it, beat it, c'mon baby, you can)
Lay it, lay it next to mine

(Now I lay me down) Now I lay me down
(Now I lay me down) Oh, baby
(Now I lay me down) Now I lay me down
(Now I lay me down) Ooh, baby

(Now I lay me down) Ooh, baby
(Now I lay me down)
Now I lay me down, now I lay me down
Now I lay me down (Now I lay me down)
