

Tomorrow

Samantha Fox

The sun is gonna shine again

Well I know that some things could be better
And I know nothing good lasts forever
No I won't let it change just how I'm feeling
'Cause I have love and it's what I believe in
My heart is beating [?] I'm feeling
That everything will be alright
A new day is coming [?] something
'Cause I know the sun's gonna shine
The sun is gonna shine again

Don't waste time
Tomorrow is another day
It's alright
The sun is gonna shine again
So don't waste time
Tomorrow is another day
It's alright
The sun is gonna shine again

Well, I know that nobody is perfect
And we learn what you got, how to work it
Don't you know nothing good lasts forever?
So come on now and let's all work together
The rhythm is playing, my whole life is changing
And I got one thing on my mind
A new day is coming and giving me something
'Cause I know the sun's gonna shine
The sun is gonna shine again

So don't waste time
Tomorrow is another day
It's alright
The sun is gonna shine again
You think it gets me, it hold me intensely
And I just can't waste anytime
A new day is coming and giving me something
'Cause I know the sun's gonna shine
The sun is gonna shine again

Don't waste time
Tomorrow is another day
It's alright
The sun is gonna shine again
So don't waste time
Tomorrow is another day
It's alright
The sun is gonna shine again
