

# Breakeven

Samantha Jade

Still alive but I'm barely breathing  
Just prayin' to a God that I don't believe in  
'Cause I got time while he got freedom  
And when a heart breaks, no, it don't break even

These days would be some of my worst  
He finally found a girl, found a girl that's gonna put him first  
Now I'm wide awake, he's no trouble sleeping  
And when a heart breaks, no, it don't break even, even, oh

What am I supposed to do when the best part of me was always you?  
And what am I supposed to say when I'm all choked up and you're OK?  
I'm falling to pieces, yeah  
I'm falling to pieces, yeah

They say bad things happen for a reason  
But no wise words gonna stop the bleeding  
'Cause he's moved on while I'm still grieving  
And when a heart breaks, no, it don't break even, even, oh

What am I supposed to do when the best part of me was always you?  
And what am I supposed to say when I'm all choked up and you're OK?  
I'm falling to pieces, yeah  
I'm falling to pieces, yeah

You got her heart and my heart and none of the pain  
You took the suitcase and I took the blame  
Tryna hold on to what little remains, oh  
But you left me with no love and honor to my name

Still alive but I'm barely breathing  
Just prayin' to a God that I don't believe in  
I got time while he got freedom, yeah  
And when a heart breaks, no, it don't break even, even, oh

What am I supposed to do when the best part of me was always you?  
And what am I supposed to say when I'm all choked up and you're OK?  
I'm falling to pieces, oh yeah  
I'm falling to pieces, yeah  
I'm falling to pieces
