

# My Way

Samantha Mumba

I don't know if I'm falling  
Or am I suspended in space  
Don't really have much direction  
For now I'm just walking in flames  
Count the days down  
Feelings pour out  
Wash them all away

Take me now as I am  
Floating by  
Finally falling  
Feeling too  
Running from the truth

I can't slow down  
I don't wanna turn around  
Was lost now I'm found  
But now I'm doing things (things...)  
My way  
Doing it my way  
I'm not afraid to say  
This voice deep inside can't be tamed  
Can't be tamed

Looking inside of me  
[?] in a mess to be on myself  
Nothing's controlling me  
[?] no hold of me in this place  
It's always surrounding me  
Protecting my energy  
Won't be tamed  
Not even gravity can pull me back down

Fighting for what I believe  
I'm the medicine and the disease  
All these demons can no longer be (no longer be)  
I remember my power, I'm free yeah

Doing it, doing it my way  
Doing it my way  
I'm not afraid to say  
This voice deep inside can't be tamed  
Can't be tamed

Looking inside of me  
[?] in a mess to be on myself  
Nothing's controlling me  
[?] no hold of me in this place  
It's always surrounding me  
Protecting my energy  
Won't be tamed  
Not even gravity can pull me back down

Can't slow down  
I don't wanna turn around  
Was lost now I'm found  
Now I'm doing things my way
