

Rolling Stone

Samara Cyn

I'm a rolling stone
Put you under the burner
Rolling stone
Put you onto that fire, fire, fire
Don't play with the fire, fire, fire
Niggas been off that fire, fire, fire
Don't come for the fire, fire, fire
I'll put you under the burner
Rolling stone (Rolling, rolling, rolling, rolling)
Rolling stone
Rolling stone, uh (Rolling, rolling, rolling, rolling)
Rolling stone, ah

Who the pressure to the mirror in the bathroom?
Took somethin' out her hand, now I'm (Rolling)
Where the gold-teeth soldiers with the tattoos?
Bad bitch boppin', baby body, bad news (Rolling)
Dirty Diana with the vultures now (Yeah)
So pretty, you should've been wed by now (Rolling)
Ain't shit to show that you'd be well worthwhile (Rolling)
Still scared 'bout what might turn out

Save your blessings for someone looking
I'm not insecure, I'm the biggest in the world

I'm a rolling stone
Put you under the burner
Rolling stone
Put you onto that fire, fire, fire
Don't play with the fire, fire, fire
Niggas been off that fire, fire, fire
Don't come for the fire, fire, fire
I'll put you under the burner
Rolling stone (Rolling, rolling, rolling, rolling)
Rolling stone
Rolling stone, uh (Rolling, rolling, rolling, rolling)
Rolling stone, ah

Rolling, rolling, rolling, rolling
Rolling, rolling, rolling, rolling, yeah
Rolling, rolling, rolling, rolling, rolling
