

# All The Roads Lead To Heaven

## Same Difference

I hear the clock tick  
Ticking away  
What have you done with your life today  
Have you done what you feel  
Did you do something real  
Or did you just let it slip away  
Did you ever stop to think  
It could be over in a blink  
So don't throw your time away  
If you're holding onto sorrow  
If your holding onto pain

Let it go  
Set it free  
Fulfil your fantasy  
All the roads lead to heaven  
If we dare to follow  
The voice of the heart  
To be or not to be  
All the roads lead to heaven if we dare  
To follow the heart

I wanna free fall fall free  
Freedom today  
Make all your dreams come true  
Stumble and fall  
Make the time make the call  
No one's gonna do it for you  
No time to wait no  
Step up to the plate go  
You can make yourself shine through  
If you're holding onto sorrow  
If you're holding onto pain

Let it go  
Set it free  
Fulfil your fantasy  
All the roads lead to heaven  
If we dare to follow  
The voice of the heart  
To be or not to be  
All the roads lead to heaven if we dare  
To follow the heart

To follow the heart  
If you're holding onto sorrow  
If you're holding onto pain

Let it go  
Set it free  
Fulfil your fantasy  
All the roads lead to heaven  
If we dare to follow  
The voice of the heart  
To be or not to be  
All the roads lead to heaven if we dare  
To follow the heart

To follow the heart  
To follow the heart  
To follow the heart  
To follow the heart
