

Horror Biz

Samhain

Too much horror business
Drivin' late at night
Psycho eighty eight
My bathroom is new
You, you don't go in the back

Psycho eighty eight
Twelve o'clock, don't be late
All this horror business
My mirrors are black
You, you don't go in the bathroom with me

I'm warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you

Too much horror business
Drivin' late at night
Psycho eighty eight
My bathroom is not for you
You, you don't go in the bathroom

Psycho eighty eighty
Twelve o'clock, don't be late
All this horror business
My mirrors are black for you
You, you don't go in the bathroom with me

Warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you
Warning you
Nobody can do
What I can do for you
