# Crazy

**Sami Yusuf**

Staring at full moons
Lost in the mazes
Following footprints
Leaving no traces
Talking to myself
Words with no meaning
Walking through real life
Thinking I'm dreaming

Eye of the storm
Right in the center
Nowhere to run
Nowhere to shelter
Eye of the heart
Losing my senses
Love is a madness
That never surrenders

You made me you made me
You made me crazy
You made me you made me
Lose my mind
You made me you made me
You made me crazy
Ever since you let me
Drink from your wine

Oooh Oooh Oh Oh
Oooh Oooh Oh Oh
Oooh Oooh Oh Oh

So fill up my cup one more time
Fill up my cup one more time

Stared in the sunlight
Only the one time
A moment of madness
Lasting a lifetime

Now I'm hearing noises
Taking me places
People and voices
All of them nameless

Eye of the storm
Right in the center
Nowhere to run
Nowhere to shelter
Eye of the heart
Losing my senses
Love is a madness
That never surrenders
