

Where D'Ya Go

Samiam

Seems like the further I get from here things come on time
Seems like the closer I get to home I'm way out of time

I think about where to go it's always I don't know every time
I think there is someone no one has shown where d'ya go, where
d'ya go, where d'ya go

I heard a voice in the dark and I knew it was you

I heard a voice in the dark and I knew it was you

I heard a voice in the dark and I knew it was you

...
