

Better

Samm Henshaw

Said I, I need something to ease my soul for a little while
Girl all I need is you
I don't need no one night affiliation, I don't need no boost for my reputation
Girl all I need is you, girl all I need is you

You... ain't nothing wrong with a little bit of you
Girl you make me better, better
You... ain't nothing wrong with a little bit of you
Girl you make me better, darling

Ooh no no...
Nah nah nah nah
Oh, I need you baby
Oh lord, I need you baby
Nah nah nah nah...

You... ain't nothing wrong with a little bit of you
Girl you make me better, better
You... ain't nothing wrong with a little bit of you
Girl you make me better

Loving you is easy, oh easy
But the thought of losing you is hard
Said I am completely, oh completely
Devoted to, devoted to your ever loving heart
Ooh, yeah you make me better
Oh mama
Yeah you make me better
