Power-hungry politicians make our society bleed
Take whatever they want and do whatever they need, uh-huh
So can I find somebody, anybody would [?] of integrity?
So can I make a change in the world [?], oh my

Can't find it in stores 'cause it comes from the soul
Said, I don't need much of anything, no (don't take much to please)
'Cause I've already got everything, yeah (that's enough for me)
Said, not a house, not a car, no material things, no-
no (jealousy greets brief)
Said I've already got everything, yeah

So why you gotta stoop so low to get what you need?
And why you gotta make waistlines [?]?
Said, I hear it in the children's laughter, in the saints in their eyes
Oh, in rich bodies, little things to keep the soul satisfied

Said, can't find in stores, na-na-na-na-na-na, no
Said, I don't need much of anything, no-no-
no (don't take much to please)
Said, I've already got everything, yeah-yeah-yeah-
yeah (that's enough for me)
Said, not a house, not a car, no material things, no (jealousy greets brief)
Said, I have already got everything I need, yeah-hey-yeah

Said, no-no-no-no (don't take much to please)
Oh, yeah (that's enough for me), for me, baby
No-no-no (jealousy greets brief)
Said, I've already got every little thing that I need, hey
Said I, but, said, I don't, I don't, I don't need
Said, I don't, I don't, I don't need much, need much, no
'Cause I've got what I need, see
I don't need much, need much, hey
'Cause I've got what I need, see
I don't need much, need much, no
'Cause I've got what I, what I, what I need, yeah
Said I've got every little thing I want
Everything over here is doing fine, doing fine
Hmm, no, no, everything is alright in here
Da-da-da-da-da-da...
