

Couple's Therapy

Sammie

Yea, yea, yea uhh
Yea uhh uhh
Listen

I gotta problem
And I think I need some help cause
I'm in love with a girl
That's kinda messed up
Because I know I ain't the man that I need to be
But at the same time
I know I gotta get right
I'm sick and tired of club hopping every other night
But I swear these girls they be hunting me

Not tryin to live no excuse
Rather keep it real with you
You're the only one I choose
But since actions speak louder than words
I'll try the best way I know
Give me time to prove you so
In the space I need to grow
But baby I will guarantee

If you stick with me
I promise
I'm a get right, I'm a get right
Please girl don't leave
I promise
I'm a get right, I'm a get right
If you would believe
That you could put ya trust in me
And I will be all you need
I promise
I'm a get right, I'm a get right

Girl if you don't understand
I respect that
It ain't ya fault that ya caught
And I hate that
It was never my intentions going to do wrong
What doesnt break us up makes us stronger
Baby I know you can't take it much longer
And the last thing I want
Is for you to move on...

Not tryin to live no excuse (no excuse)
Rather keep it real with you (Rather keep it real with you)
You're the only one I choose
