

Crazy

Sammie

Whoa, sorry
Yeah

How dare I? Lie right to you damn the nerve girl I ain't shit
Then get mad when you pull up, unannounced you bout to flip
I flip the switch, I made you mad, I changed the tide girl, we were smooth
I cheated many times, you took me back and played the fool

So when you keyed my car, I'm deserving you were hurting cause I keyed your heart
And girl when you threw my phone, I had that coming, yeah incoming 'cause I did you wrong

We men, gotta stop calling y'all crazy
Y'all ain't crazy, y'all just hurting, y'all just tired
Y'all just fed up, y'all just, we just fired
No if's, no but's, no if's, no but's or maybe's
We men gotta stop calling y'all crazy
Y'all ain't crazy, y'all just hurting, y'all just tired
Y'all just fed up, y'all just, we just fired
No if's, no but's, no if's, no but's or maybe's
We men gotta stop calling...

What if the shoe was on the other foot?
Stayed out all night, no text back yeah
I'm checking in, no check back yeah
You ain't dropping your pin, where you at, girl?
My mind gon' cray, no flexing
Wondering bout who you sexin'
Wondering bout who laid up with you
Got me outta my zone, baby answer your phone

So when you keyed my car, I'm deserving you were hurting cause I keyed your heart
And girl when you threw my phone, I had that coming, yeah incoming 'cause I did you wrong

We men, gotta stop calling y'all crazy
Y'all ain't crazy, y'all just hurting, y'all just tired
Y'all just fed up, y'all just, we just fired
No if's, no but's, no if's, no but's or maybe's
We men gotta stop calling y'all crazy
Y'all ain't crazy, y'all just hurting, y'all just tired
Y'all just fed up, y'all just, we just fired
No if's, no but's, no if's, no but's or maybe's
We men gotta stop calling y'all crazy

I'm driving you crazy, crazy, crazy, crazy, crazy...
We men gotta stop calling y'all crazy
