

Next Breath

Sammie

As I pour this glass of wine
I hope it helps me express these thoughts of mine (woahh)
I don't think I've ever felt the way I felt for you girl
So I'm turning these lights down and I'm telling you right now
(Woah woah woah) It ain't hard to see I want you to be my only
(ooohhh)
Put your trust in me don't want your body I want your love (ahh
h)

But I don't think I've ever ever really told you how much I need you
Girl I need you more than my next breath
Never would I ever leave you cause darling I need you
Girl I need you more than the next breath I breathe (ooooohhh)

I'm sorry for the times I stressed you out
And I'm thankful for the times you ain't put me out your house
(yeahhh woooh)
I fell in love more than once but every single time it was with
you girl

I don't think I've ever ever really told you how much I need you
u
Girl I need more you than my next breathe
Never would I ever leave you cause darling I need you
I need you more than the next breath I breathe (ooohhh)

This is the part where we slow it down
Make love to your mind it's ok you can think outloud
It's 4 in the morning and I'm pouring out my heart girl
So much to say I don't know where to start girl (woahh girl)

I don't think I've ever ever really told you how much I need you
u
Girl I need more you than my next breathe
Never would I ever leave you cause darling I need you
I need you more than the next breath I breathe (ooohhh)

I don't think I've ever ever really told you how much I need you
u
Girl I need more you than my next breathe
Never would I ever leave you cause darling I need you
I need you more than the next breath I breathe
