Sammie

You bad, you bad
You got it going on
3 in the mornin' I can't sleep alone
Leavin' this club
I'm bout to dial phone
And when I make it to you
Sing all on my microphone

You can count on me
We don't need no sleep
Picture me grabbin' that booty
You throwin' it back
Ain't no drownin' me
You can count on me
Lovin' in ya sea
Yeah I'm all in ya ocean
Lifeguard, babygirl this the motion yeah

In these sheets
1-2-3
No countin' sheep in here
Follow me to ecstasy
We gon' stay right here in these sheets

Alright, alright
Alright, alright
Alright, alright
Alright, alright
In these sheets
Alright, alright
Alright, alright
Alright, alright
Alright, alright

In these sheets
1-2-3
No countin' sheep in here
Follow me to ecstasy
We gon' stay right here in these sheets

Fucked up, cause I'm all up in ya body
From my cup now it's all over ya body
Ain't no stoppin' me
After I'm lickin' it, get on top of me
And do me properly but so sloppily
I mean honestly
Tell me that it's mine when I'm in it
Lie to me, baby promise me

You can count on me
We don't need no sleep
Picture me grabbin' that booty
You throwin' it back
Ain't no drownin' me
You can count on me
Lovin' in ya sea
Yeah I'm all in ya ocean
