

Un-Love You

Sammie

I had to block you for myself, I promise (Promise, promise)
Don't wanna see those dudes all in your comments (No)
Don't wanna think 'bout you and another man
I'm tryna get over you the best I can, yeah
Came up with an excuse to call your mama (Mama, mama)
But she ain't pick up, forgot I changed my number (Yeah)
Why is fallin' in love so easy but letting go so hard? Yeah (Hard)

I want to un-love you, un-touch you
Un-feel you, un-trust you
Un-see you
Girl, I'm tryna learn, yeah
Girl, I want to un-love you
Yeah, yeah, yeah, yeah yeah
Yeah, yeah, yeah, yeah yeah
Yeah, yeah, yeah, yeah yeah
Un-love you

I had to break the news, yeah, I told my fam, yeah
Since you reportin' news all on your 'Gram, yeah, yeah
I'm tryna keep it cool, girl, I ain't blind, no
But if I tell it we gon' end up on The Shade Room
You ain't perfect, baby, you ain't blameless, oh nah
Baby, do you want to keep it cordial or go to war or nah?
You ain't tell 'em that I took care everything for you
And I spoiled you and I was loyal
But everything with you is a fight
And I was losin' my mind

I want to un-love you, un-touch you
Un-feel you, un-trust you
Un-see you
I don't wanna see you
I don't wanna feel you
I don't wanna think about you, at all
Girl, I'm tryna un-love you
Yeah, yeah, yeah, yeah yeah
Yeah, yeah, yeah, yeah yeah
Yeah, yeah, yeah, yeah yeah
Un-love you
