Double helix on my chest like DNA  
White girl with the link PGA

30 rocks on the block live from New York City  
Ain't no SNL you know we sellin' Tina Fey  
It's just a PSA  
Ain't no I in team but there's one in these Cartiers  
Burner on fire I'm in Q4 but it's May  
Countin C notes money must be in my DNA

Bitches dancing like I prepaid  
For the top in Louis slippers  
Cheffin up so much I moved kitchen to the little dipper  
Different galaxy no LA think she coming Ima clipper

Function like the interstate from Long Beach to the bay  
Paparazzi flashing when we pass em, pump the breaks  
Fuck a club me and the dogs outside, makin' it rain  
Offa leash  
Coast to coast, now we fly back out to the east  
Had to stimulate da appetite so here's ya aperitif  
I'm still feeding all my peeps  
Wizzy back, who's said cap, congratulations on then reach
