

# Talking to Myself

Sammy Adams

(Talking to myself  
Talking to myself)

Is anybody listening out there?  
Asking for a friend I know  
Swear I've never been this lonely  
(So alone that I have to go)  
And you deaf button my calls  
Damaging all of my thoughts  
Wonder what it's like being like you  
Then again I should probably just drop it all

Can't hang up, 'cause I know who the person on the other side is  
Giving up, 'cause what's the point of living life like this?  
Like you set a trap, goddamn I fell  
Right into your lap, ain't hard to tell  
Notice when we talk that you're not much help  
Might as well be talking to myself  
Talking to myself

Easier to have this out  
But I don't hear a thing coming out your mouth, no  
Probably just a sign that you switched up  
Honestly surprised that you picked up  
Make me wanna throw my phone  
And everything at home that your ass still owns, yeah  
It's like, it's like I'm muting the convo  
Too behind, you forgot about the timezone

Can't hang up, 'cause I know who the person on the other side is  
Giving up, 'cause what's the point of living life like this?  
Like you set a trap, goddamn I fell  
Right into your lap, ain't hard to tell  
Notice when we talk that you're not much help  
Might as well be talking to myself
