

Expensive

Sammy Arriaga

I ain't no fool girl
But I know you ain't no fool's gold
You put the dime in diamonds, yeah
Damn right you shining, yeah
I was just window shopping
Your body's got me stopping
I think tonight I'm dropping
Benjamins

You lookin' e-e-e-e-expensive baby

Like you had to be handmade
Grade A, high quality
Rolling through like a Rolls-Royce in New York City

You lookin' e-e-e-e-expensive baby
E-e-e-e-expensive baby
Louis V, Versace, Prada
Girl they ain't got nothin' on you
You could outrun a runway model, yeah yeah
You lookin' e-e-e-e-expensive baby
Expensive baby
Let me spend a little time on you
Drop a couple dollar signs on you
Maybe buy you a drink or two
I bet you're worth it

You lookin' e-e-e-e-expensive baby
E-e-e-e-expensive baby

I was just window shopping
Your body's got me stopping
I think tonight I'm dropping
Benjamins

You lookin' e-e-e-e-expensive baby
E-e-e-e-expensive baby
Louis V, Versace, Prada
Girl they ain't got nothin' on you
You could outrun a runway model, yeah yeah
You lookin' e-e-e-e-expensive baby
E-e-e-e-expensive baby
Louis V, Versace, Prada
Gucci, Dolce Gabana
Don Perignon in a bottle, yeah yeah

You lookin' e-e-e-e-expensive baby
