

Out of This World

Sammy Davis, Jr.

You're clear out of this world when I'm looking at you
I hear out of this world, the music that no mortal ever knew
You're right out of a book
A fairy tale I read when I was so high
No armored knight out of a book
Was more enchanted by a Lorelei than I
After waiting so long for the right time

After reaching so long for a star
All at once, from the long and lonely night time
And despite time, here you are
I'd cry out of this world, if you said you were through
So let me fly out of this world
And spend the next eternity or two with you
