

The Lonesome Road

Sammy Davis, Jr.

Look down, look down that lonesome road
Before you travel on
Look up, look up and seek your maker
Before Gabriel blows his horn

Weary toting such a load
Treading down the lonesome road
Look down, look down that lonesome road
Before, you travel on

Baby look down, look down, look down, look down
That lonesome road
Before, before, before you travel on

You better look up, look up, look up, hallelujah
And meet your maker
Before Gabriel, Gabriel, Gabriel blows his horn

Weary toting such a load
Treading down that lonesome road
Look down, look down, look down, look down
That lonesome road
Before you travel on

Just before you travel on
