There's A Small Hotel

Sammy Davis, Jr.

I'd like to get away, Carmen
Somewhere alone with you
It could be, oh, so gay, Carmen
You need a laugh or two

A certain place I know, Sammy
Where funny people can have fun
That's where we two will go, Sammy
Before you can count up
One, two, three, four

There's a small hotel
With a wishing well
I wish that we were there together

There's a bridal suite
One little room so bright and so neat
Complete for us to share together

Looking through the window
You can see a distant steeple
Not a sign of people
Who wants people?

When the steeple bell says 'Goodnight, sleep well'
We'll thank the small hotel together

Looking through the window
You can see a distant steeple
Not a sign of people
Who wants people?

When the steeple bell
Says 'Goodnight, sleep well'
We'll thank the small hotel
We'll creep into our little shell
And we will thank the small hotel
Together
