

This Is Always

Sammy Davis, Jr.

This isn't sometimes this is always
This isn't maybe this is always
This is love
The real beginning of forever

This isn't just midsummer madness
A passing glow a moment's gladness
This is love

I knew it from the time we met
You tied a string around my heart
So how can I forget you?
With every kiss I know that this is always

This is love
The real beginning of forever

Yes, it's love
And I knew it from the night that we met
You tied a string around my heart
So how can I forget you?
With every kiss I know that this is always
