

## You Can Count On Me

Sammy Davis, Jr.

If you get in trouble, bring it home to me  
Whether I am near you, or across the sea  
I will think of something to do  
I'll be on the lookout for you  
And I'll find you  
You can count on me (You can count on me)

And don't you let 'em get you up against the wall  
'Cause I'll be there to catch you, and I won't let you  
fall  
Call me if they hit you below  
Call me when there's no where to go

And I'll be there  
You can count on me (You can count on me)

And if they all desert you, and you start to bend  
You know I won't let them hurt you, and I don't pretend  
Don't call if you've got nothing to say  
Don't call me if you just want to play  
But call me on Devil's Day  
You can count on me

You can count on  
You can count on  
You can count on  
You can count on
