

Knockdown Dragout

Sammy Hagar

Hey
Hey
Hey
Hey

Here we go, right now, here we go
Show 'em what we mean by rock and roll
Get 'em, stick 'em, put 'em on their back
Send 'em all back and wipe 'em off the mat

Knockdown dragout
Get ready, we're ready
Knockdown (knockdown) dragout (dragout)
Get ready, 'cause it's goin' down

Hey

Here we go, all the way, here we go (here we go)
Diggin' in deep, gonna steal the show (hey)
Sack 'em, sack 'em, send 'em all home
Wave 'em goodbye from the top, that's all

Knockdown (knockdown) dragout (dragout)
Get ready, we're ready
Knockdown (knockdown) dragout (dragout)
Get ready, 'cause it's goin' down

Yeah
Yeah
Yeah
Bring it
Hey

Come on, knockdown (knockdown) dragout (dragout)
Get ready, we're ready
Knockdown (knockdown) dragout (dragout)
Get ready, it's goin' down

Yeah
Huh
Hey
