

Make It Alright

Sammy Hagar

Hey, you can make it alright
With a hint of a smile
With a wink of an eye
If I could just let you know
My heart's in your hands
Go carefully
Still holdin' on
Not letting go

(You can make it alright)
Hey, yeah
(You can make it alright)
Yeah, yeah, yeah
(You can make it alright)
Oh, yeah

Faith when a promise is made
So rusty and cold
Just hangin' bare
On the shoulders of time
Crushin' the will
Close to the line
But still holdin on
Not letting go

(You can make it alright)
Hey, yeah
(You can make it alright)
Yeah, yeah, yeah
(You can make it alright)
Oh, yeah, yeah
(You can make it alright)
Yeah, yeah, yeah

You can make it alright
You can make it alright

Hey, yeah
(You can make it alright)
Yeah, yeah, yeah
(You can make it alright)
Oh, yeah
(You can make it alright)
Yeah, yeah, yeah
(You can make it alright)
You can make it alright
(You can make it alright)
Oh, yeah
You can make it alright
