

Not Going Down

Sammy Hagar

Wild in the eyes
Fate ain't got nothin' to do with a good man's needs, yeah
Drive fast as you can
When you're on the ropes, you better be getting your speed, yeah

They said it couldn't be done
I had to knock 'em all out one by one

(I'm not going down) I'm going in for another round
(I'm not going down) Hey, hey, c'mon
(I'm not going down) You can put me in for another round
(I'm not going down) Yeah

Waiting's gonna make a young man old
And comfort's overrated until the tiger's fed
We gotta work 'em till your knuckles bleed
'Cause ain't no man's fists harder than a good man's head, uh

They said it couldn't be done
That's why I knocked 'em all out one by one

(I'm not going down) I'm going in for another round
(I'm not going down) Hey, hey, c'mon
(I'm not going down) Help me in for another
(I'm not going down) Hey

They said it couldn't be done
I had to knock 'em all out one by one

(I'm not going down) I'm going in for another round
(I'm not going down) Yes I am, c'mon
(I'm not going down) You can count me in for another
(I'm not going down) Hey, hey

Goin' in for another round
Oh, yes I am, yes I am
Ain't goin' down

(I'm not going down) Woah, baby
(I'm not going down) You count me in for another
(I'm not going down) Another, for another round
(I'm not going down) Hey, hey, hey, hey, hey, oh

C'mon, c'mon, yeah
I'm ready

(I'm not going down) I'm ready
I'm (I'm not going down) I'm ready, oh baby, I ain't goin' down
(I'm not going down) No, c'mon
(I'm not going down) Hey
