

# One Sip

Sammy Hagar

(Ay ay ay ay ay ay ay ay ay ay ay ay ay ay ay ay)

Yeah man, here we go

One sip and you'll surrender  
One taste and you will fall  
My love won't hurt you in the morning  
My love will never hurt at all

Just two ounces of commitment  
Now shake it up and pour it tall  
One sip and you'll surrender  
One taste and you will fall

And high and dry martinis  
And fine vintage red wine  
With a couple shots of [Van Halen "Cabo Wabo"]  
With a salt shake and a lick o' lime

Get your mind of that barstool  
Before you spend your last dime  
And that little buzz you're feelin'  
Will be right there every time, that's right

(Ay ay ay ay ay ay ay ay ay ay ay ay ay ay ay ay)

And one sip and you'll surrender  
One taste and you will fall  
My love won't hurt you in the morning  
My love will never hurt at all

Take two ounces of commitment  
Now shake it up and pour it tall, mmm  
One sip and you'll surrender  
And one taste and you will fall

Baby, one sip and you'll surrender  
And one taste and you will fall, yeah  
(Ay ay ay ay ay ay ay ay ay ay ay ay ay ay ay ay)  
Come on baby, hey  
Uh huh
