

# Protection

Sammy Hagar

Lay down your arms  
Go in peacefully  
Lay down your freedom  
Your individuality

No place to run, huh  
You're outta sanctuary  
So lay down your arms  
Junior's got your gun

Hey, we need protection  
Yeah, we need protection from the system  
All we need protection

State your name  
Where you're coming from  
State your age, huh  
Where you're going to

Hands on your head, wooh  
Turn and face the wall  
You're dead to rights, huh  
You're messing with the law

Hey, we need protection  
Yeah, we need protection from the system  
All we need's protection  
Hey, we need protection from protection  
From protection from protection from protection

Hey, we need protection  
Yeah, we need protection from the system  
All we need's protection  
Yeah, we need protection from protection  
From protection from protection from protection

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah
