

# Red Voodoo

Sammy Hagar

Operator, help me please  
Room service got me on my knees  
They got the same ole ham and rye  
Give me fillet gumbo, crawfish pie

I want it Red Voodoo style  
Talkin' 'bout Red Voodoo (style)  
Give me some of that Red Voodoo, child

Now I put the pepper on my tongue, mmm  
And make the old start feelin' young  
Them habaneros make me cry  
Till two hot tamales walk on by

Sportin' that Red Voodoo style  
Talkin' 'bout Red Voodoo style  
They got some of that that Red Voodoo style  
Red Voodoo, uh

Sgt. Pepper style, wooh child  
Don't get that pepper in your eye, uh-huh  
What do you say, fellas, let's kick it up a notch
