

## Space Station #5

Sammy Hagar

Start with the sun and move on out  
The future's in the skies above  
The heavens unfold and a new star is born  
Space and time makin' love

Oh, what a time we had  
Living on the ground  
I've moved to Space Station #5  
See you next time around, what'd you say?

As far you want, as close as you need  
It's all in your mind, you know  
This old Earth hasn't really seen it's day  
It's here, time to go

Oh, what a time we had  
Living on the ground  
I've moved to Space Station #5  
See you next time around, what'd you say?

It's a whim

Remember when it was so clear  
We were young, but the memory still remains  
To pick fruit from a tree  
Fish from the sea  
Now nothing's left here but the stains

But I can't cry no more, can only be glad  
There's other places we can be  
If the time suits you right  
I'm leaving tonight  
Come and fly, fly away with me

Oh yeah, yeah, yeah, yeah, yeah, yeah  
Oh, baby

Let's fly away  
Come on and fly away  
Well, let's go  
Well, let's go  
Let's go  
Yeah

Fly away

Sammy Hagar, hmph

I tell you what, I hope you got your money's worth.  
'Cause I sure had a good time...
